

The American-Scottish Foundation® Designated Foundation Project Kids Operating Room Giving Form

The American-Scottish Foundation is proud to designate Kids Operating Room as a directed giving project of the Foundation. Kids Operating Room is a Scottish charity dedicated to helping countries in need around the world by working closely with local surgeons and their teams to create and help build fully-equipped operating rooms for children. Through their work, Kids Operating Room has enable surgical teams around the world to focus their talents and expertise on treating a greater number of children and thus transform their lives one operation at a time. The American-Scottish Foundation is a non profit 501c3 organization and all donations made through the Foundation are tax deductible in the United States to the extent of the law.
